A ministry of:

Sharon Baptist Church

Mission Statement:

To partner with you as parents to raise children who have a heart for Christ as well as preparing them for success in future education.

The purpose of the weekday education program is to provide care and development spiritually, mentally, physically, emotionally, and socially for each enrolled child. This is to be accomplished by providing learning and developmental experiences consistent with the Christian principles of Sharon Baptist Church based on the authority of the Bible.

K.I.D.S. is agency approved by Tennessee Department of Education and a member of American Christian Schools International.

BIBLICAL TEACHING

We strive to:

- help each child to develop a feeling of safety and security that is associated with worship
- help each child to know God loves them as they are
- help children to recognize behavior patterns that are desirable
- enjoy a habit of giving thanks for everyday experiences
- discuss and experience things that God has done to show His love
- increase a child's ability to become a part of the daily religious education activities

- learning to share, take turns, plan, work, think and reason as he/she works and plays with others
- learning to respond rhythmically to music, singing new songs, and listening to different kinds of music
- attending weekly chapel services
